Registration forms available at www.usdesmo.com

US Desmo track days are open to European and American bikes. Other bikes are allowed on a space available basis. Our track days have three groups limited to a maximum of 30 riders in each group. The white group is for those who may have not been on a track before or are more conservative riders, and passing is limited to straights. The green group is for more experienced street riders with passing allowed on the outside of turns. The red group is for racers, ex-racers, and fast riders who are comfortable with a fast pace. Riders who are determined to be unsafe will be asked to change to another group or disallowed from the event. Bike and rider requirements are available on our website. We provide technical inspectors, two ambulances, professional corner workers, starter, and on-track control riders.

Appropriate leather or textile riding gear suitable for the racetrack is required. Hard shell back protectors are mandatory! No antifreeze! Make sure you have good tires! Complete requirements available on the US DESMO web site.

We have limited space! Do not delay; you could be left out! Mail advanced registration forms, available on the US DESMO web site, by September 15.

Make checks payable to: DESMOTRACKDAYS, PO Box 814, Marietta, GA 30061
