

## **Tips to make your participation in the Track Day go smoothly**

1. Read the club and track rules. They have changes and you will not be allowed on the track if you miss one
2. No anti freeze in the bikes; be sure to check your overflow tank
3. Tires must be new or near new
4. No fluid leaks
5. Bring a back protector, hard shell are recommended
6. Bring shade
7. Come with someone who can help you get your things home if you have a trip to the hospital
8. No tire warmers or timers this is a fun day not race practice
9. Bring plenty to drink
- 10.No pets
- 11.No children under the age of 12 unless accompanied by an adult who will watch them when you are on the track
- 12.If you are new to the track join the orientation group for the first session even if you are going to ride in another session for the rest of the day
- 13.Register early to avoid missing the event
- 14.We normally have a waiting list so if you cannot make the event cancel ASAP and you might luck out and get a full refund
